DEFENDANT’S EXHIBIT LIST

Defendant State Farm Fire and Casualty Company submits its exhibit list pursuant to the Amended Scheduling Order [ECF No. 25] in this action. Defendant reserves the right to request leave of the Court to supplement this list—including via inclusion of exhibits in the proposed Pretrial Report—because discovery is not yet complete. By listing any exhibits below, State Farm is not agreeing to admissibility or relevancy of any particular document or the information included therein, but is erring on the side of greater inclusion in this listing to ensure notice is provided to Plaintiffs. Some Exhibits may be included only because of their potential use for impeachment and State Farm does not otherwise agree that such exhibits should be admitted. All documents which may be used for impeachment have not been included.
